

[First edition but great scale! 1st Manufacturing World Nagoya will be eventually launched in April 2016 with 700 exhibitors and 25,000 visitors!]

Long awaited trade show for manufacturing industry in Nagoya area!

“1st Manufacturing World Nagoya” which is the sister show of Manufacturing World Japan (Asia’s largest scale and 26 years history) is launching in Nagoya where one of the center of manufacturing industry in Japan. From the 1st edition, the show gathers 700 exhibitors and 25,000 visitors from all around the world. (Figures are expected.)

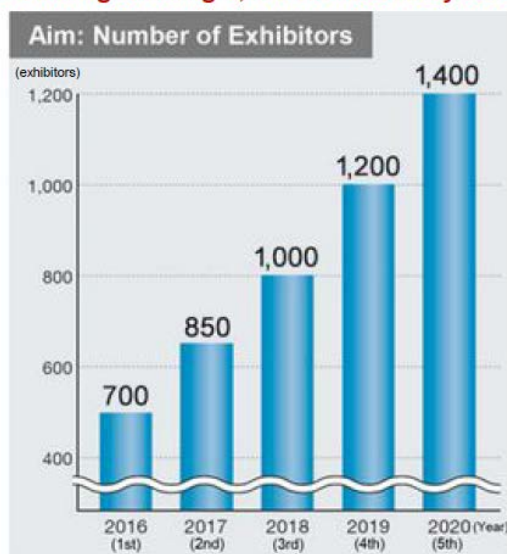

<3 reasons for launching 1st Manufacturing World Nagoya>

- 1) Strong requests from existing exhibitors to hold an exhibition in central Japan to widen sales
- 2) Inquiries from automotive/aerospace/machinery/medical device manufacturers in Nagoya area
- 3) Projections of exhibitor numbers (700 companies in its debut) with growth potential

700 exhibitors and 25,000 visitors from the 1st edition!

700 companies are estimated to exhibit at the first show and the number of exhibitors is expected to increase to 1,400 companies in the next 5 years. The projected number of visitors to the 1st Manufacturing World Nagoya is 25,000 and will reach 40,000 by 2020.

■ **Aiming to bring 1,400 exhibitors by 2020**

■ **Gathering 40,000 visitors by 2020**

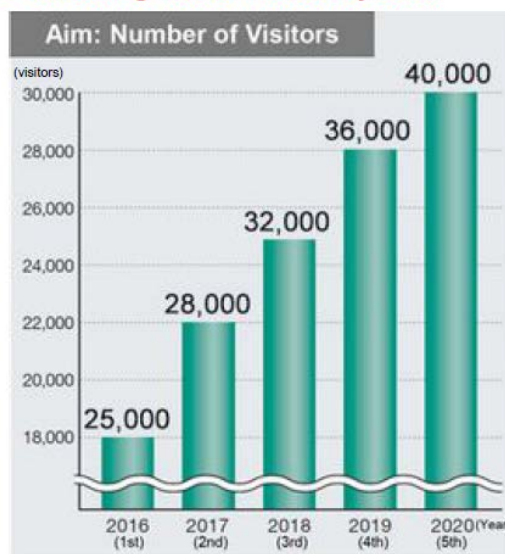

Exhibit space is sure to be sold out soon!

According to the high-demands for exhibiting spaces in 1st Manufacturing World Nagoya from the manufacturing industry, Show Management added more exhibit spaces for 200 companies after primary recruiting. However the remaining exhibit spaces are very limited and it is sure to be sold out in the very early timing.

If you are interested in exhibiting in 1st Manufacturing World Nagoya, please contact Show Management immediately.
